

Upcoming November Meeting

We have a returning speaker for our next section meeting. James (Jim) Zack, Principal, James Zack Consulting, LLC will be presenting the "Impact of Rework on Construction & Some Practical Remedies". The meeting will be held at Parsons November 21, 2017 from 12-1pm. A WebEx link has been provided for those who would like to join remotely. Lunch will be provided for in person attendees.

Check your email for an upcoming survey on which community involvement opportunities you would like to see AACE participate in.

October Meeting

James Arrow, lead associate at Booz Allen Hamilton presented via Skype on "Digitization Strategies for Engineering & Construction in the era of Industry 4.0" at our Utah October Meeting held at the Williams Building. This was also successfully streamed virtually to members joining remotely. James' presentation was well received as the topic was both enlightening and informative. If you are interested, a copy of his presentation will be made available on our website: www.aaceutah.org
