

2019—2020 Section Meetings

We appreciate your patience with the delayed start for our Utah Section meetings. We are working on rescheduling the speaker we set up for last month on Value Method. Below is the outlook for our remaining meetings for this year.

WE NEED YOUR HELP! As you can see, all meetings do not have a speaker assigned; we need more speakers and ideas for topics. We want to hear from you and what would benefit the section.
