

## Thanksgiving Service

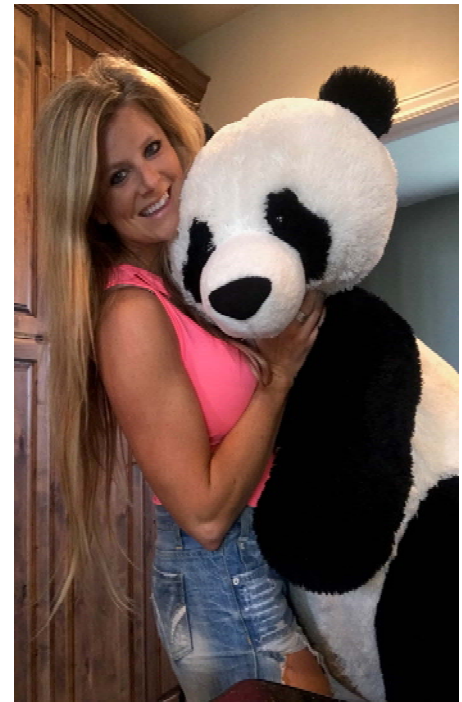

Thank you to all that came out to support our service activity. When we take the time out of our busy schedules to help out others it gives us a better perspective.

"No one who achieves success does so without acknowledging the help of others. The wise and confident acknowledge this help with gratitude." -Alfred North Whitehead

Three truths and a lie about Lindsey Thomas.....

1. My favorites artists are Garth Brooks and Nickelback (no judging, I know I'm probably like their only fan).
2. I am obsessed with pandas and have over a hundred of them. My only life-long goal is to hold a baby panda.
3. I was selected as the Utah State Young Careerist for Business Professional Women and went on to Nationals (many moons ago).
4. I painted the checkered Start/Finish line on the NASCAR track in the Las Vegas Motor Speedway right where good ole Jimmy Johnson drove over.

I am a Project Controls Manager for Parsons and I have loved the 13.5 years I have been with them. I enjoy my job and the project controls industry. When I am not glued to a computer crunching numbers, I like to travel the world – I have been to Mexico, Canada, Puerto Rico, Thailand, Brazil, Italy, Germany, Costa Rica, all over the US. I hope to travel a lot more and explore this amazing world. I have a supportive family and the greatest friends in the world. I love Utah and being in the outdoors - hiking, boating, camping, riding my dirt bike. To answer the big question, since I am sure you are still wondering so much, which one is a lie.....they are all truths 😊. I enjoy being part of AACE and serving as your current Secretary.
