His current project is the SLC Airport Redevelopment Program. Bill has a BS, Civil Engineering from University of New Hampshire, an MS, Civil Engineering from University of Colorado and is a licensed Professional Civil Engineer in both Utah & California.

February Speaker:

Bill Hendrickson, Project Controls Director at Holder—Big-D, a joint venture

January Meeting

Thank you to those who attended the presentation on Value of Membership AACE with Josh Rowan, our Region 5 Director on January 17, 2018 at the Williams Building. Josh shared with us the opportunities and resources AACE has to offer and the great value we can gain from this association.

AACE – Region 5

*Josh Rowan
Regional Director - Section 5*

17 January 2018

AACE Utah Section January 2018 presentation given by Region 5 director—Josh Rowan. A copy of the presentation can be found on our section website.

For those interested, Region 6 is hosting their 57th annual Western Winter Workshop in February 2018
