June 2019

2019 AACE International Conference & Expo

As our last month's newsletter reported our very own Sharla Gill & Ashley Garza presented at the conference. This a great to way to continue highlighting the great work being accomplished in our section.

This also speaks volumes as to the quality people we have within our section that contribute greatly to our profession. We should all strive to follow their examples & try to better ourselves personally & in our profession.

Awards

For the information of the Section we received an award at this year's AACE Conference and Expo. We were award the Certificate of Gold Award.

This is the second year we have been able to maintain a high standard of participation. I hope we can all continue to work toward ensuring we are a top notch section and resource for those in Utah.

Meetings

Our meetings will resume again on August 28,2019 at Parsons. The speaker will be announced with the July Newsletter.
